

# Supporting document to the Statement of Commitment with South Australian Foster and Kinship Carers

The [Statement of Commitment](#) with South Australian Foster and Kinship Carers recognises that the family based care system must work in partnership and value carers as an essential and respected part of the care team for children and young people.

*The Statement of Commitment was launched in June 2020 by Connecting Foster & Kinship Carers SA Inc, Child and Family Focus SA and the Department for Child Protection.*

## Purpose

This document provides guidance on how carers and workers can use the Statement of Commitment to understand their roles and responsibilities, and work together to support children and young people in care.

## Principles

The Statement of Commitment is comprised of five key principles: **informed**, **supported**, **consulted**, **valued** and **respected**.

INFORMED

VALUED

RESPECTED

## As a foster or kinship carer, your role is to...

- Provide safe care in a secure and nurturing family home environment
- Develop meaningful relationships with the children and young people in your care
- Maintain children and young people's health and wellbeing and relationships with significant others
- Support children and young people to remain connected to culture, extended family, kin, language and spiritual beliefs to maintain their sense of self, identity and emotional ties
- Assist children and young people to develop their Life Story work
- Support children and young people to participate in cultural activities so that their cultural identity is not lost
- Encourage children and young people to live fulfilling lives and reach their full potential
- Support children and young people's educational needs and education plans
- Assist children and young people to develop independent life skills and transition to adult life
- Support family contact and reunification plans (where applicable)
